Spoštovani,

Vesel sem, da kot častni pokrovitelj mednarodnega tekmovanja šolanih psov izrazim podporo dogodku, ki je mnogo več kot preizkus znanja, pripravljenosti in športne odličnosti. Je praznik edinstvene vezi med človekom in živaljo – vezi, ki temelji na zaupanju, spoštovanju, sodelovanju in predanosti.

Letošnje tekmovanje, na katerem sodeluje 149 tekmovalcev iz 37 držav, je cenjen mednarodni dogodek, v okviru katerega se tekmovalci pomerijo v treh zahtevnih disciplinah: sledenju, poslušnosti in obrambi. Ob tem posebno mesto pripada nemškemu ovčarju, izjemni delovni pasmi, ki s svojimi sposobnostmi že desetletja pomembno prispeva tudi k delu slovenske policije in vojske.

Prav v tem je širši pomen takšnih tekmovanj. Ne gre le za doseganje vrhunskih rezultatov, temveč tudi za spodbujanje odgovorne vzreje kakovostnih delovnih psov, izmenjavo znanja in izkušenj ter negovanje odnosa, v katerem človek in pes kot partnerja skupaj dosegata zahtevne cilje. Stevilne naloge, ki jih policijski in drugi službeni psi vsakodnevno opravljajo – od iskanja pogrešanih oseb in sledenja do odkrivanja prepovedanih drog in drugih snovi –, potrjujejo njihov izjemen pomen pri zagotavljanju varnosti in pomoči ljudem.

Ob tej priložnosti iskreno čestitam organizatorjem za pripravo tekmovanja na tako visoki mednarodni ravni ter se jim zahvaljujem za vztrajnost, strokovnost in trud, ki so potrebni za izvedbo tako zahtevnega dogodka.

Vsem tekmovalcem želim uspešne nastope, veliko zbranosti in čim boljše rezultate, predvsem pa veliko zadovoljstva ob delu in sodelovanju z njihovimi štirinožnimi partnerji. Naj bo tekmovanje priložnost za vrhunske dosežke, nova spoznanja in prijateljstva.

Franci Matoz

Ladies and Gentlemen,

It is my great pleasure, as honorary patron of this international working dog competition, to express my support for an event that is much more than a test of skill, preparation and sporting excellence. It is a celebration of the unique bond between humans and animals – a bond built on trust, respect, cooperation and dedication.

This year's competition, which brings together 149 competitors from 37 countries, is a highly regarded international event in which participants compete in three demanding disciplines: tracking, obedience and protection. A special place belongs to the German Shepherd Dog, an outstanding working breed whose abilities have, for decades, also made an important contribution to the work of the Slovenian Police and the Slovenian Armed Forces.

Herein lies the broader significance of such competitions. They are not only about achieving top results, but also about promoting the responsible breeding of high-quality working dogs, exchanging knowledge and experience, and nurturing a relationship in which human and dog work together as partners to achieve demanding goals. The many tasks that police and other service dogs carry out every day – from searching for missing persons and tracking to detecting illegal drugs and other substances – confirm their exceptional importance in ensuring safety and helping people.

On this occasion, I sincerely congratulate the organisers on staging a competition of such a high international standard, and I thank them for the perseverance, expertise and effort required to deliver such a demanding event.

I wish all competitors successful performances, strong concentration and the best possible results, but above all great satisfaction in working and cooperating with their four-legged partners. May this competition be an opportunity for outstanding achievements, new insights and new friendships.

Spoštovani tekmovalci, trenerji, sodniki, predstavniki klubov, sponzorji, gostje in vsi ljubitelji nemških ovčarjev,

v imenu Kinološke zveze Slovenije, Športnega kinološkega kluba Vrtnica, v so organizaciji Mestne občine Nova Gorica in občine Brba v podpori društva nemških ovčarjev Slovenije, vas prisrčno pozdravljam na svetovnem prvenstvu WUSV 2026.

Svetovno prvenstvu za nemške ovčarke, ga s ponosom že tretjic gostimo tukaj, v čudoviti Novi Gorici – mestu, ki diha s športom, povezovanjem in kinologijo.

Zbrali smo se na najvišji ravni tekmovanja, kjer se ne preizkušajo le sposobnosti najboljših nemških ovčarjev in njihovih vodnikov, temveč tudi zaupanje, predanost in dolgoletno delo, ki stoji za vsakim nastopom. 150 tekmovalcev iz 37 držav bo v naslednjih dneh pokazalo znanje v disciplinah ledenja, poslušnosti in obrambe

Še posebej sem ponosen, da to pomembno prvenstvo gostimo v regiji, ki je znana po svoji čezmejni povezanosti. Nova Gorica in sosednja Gorica v Italiji tudi tokrat skupaj ustvarjata enoten prostor sodelovanja, kar je v duhu tega tekmovanja – povezovanja ljudi z različnih koncev sveta preko skupne ljubezni do psov.

Naj bo to prvenstvo praznik športa, sodelovanja in spoštovanja – med ljudmi in med človekom ter njegovim najboljšim prijateljem – psom. Naj bo to korak naprej pri zavedanju kako nenadomestljiv je pes pri opravljanju službe na področju zaščite in reševanja ter varnosti v vsakdanjem življenju.

Vsem tekmovalcem želim veliko uspeha, športne sreče in predvsem – varno tekmovanje za vas in vaše pse. Hvala vsem sponzorjem, prostovoljcem in organizatorjem, ki ste omogočili izvedbo tega izjemnega dogodka.

Spoštovani!

V Brdih ponovno pozdravljamo udeležence velikega mednarodnega kinološkega dogodka. Potem ko smo spomladi gostili svetovno prvenstvo reševalnih psov, se v naše kraje vračajo vrhunski vodniki in njihovi psi, tokrat na svetovno prvenstvo delovnih psov. To nas navdaja z izjemnim ponosom.

Dva svetovna dogodka v enem letu sta za Brda veliko priznanje. Potrjujeta, da postajamo prepoznavni ne le po naših čudoviti kulturni krajini, vinih, češnjah, kulinariki in kulturni dediščini, ampak tudi kot okolje, ki zna sprejeti in dobro izpeljati zahtevne mednarodne prireditve.

Ko je naša občina pred več kot tremi desetletji stopila na samostojno pot, smo si zastavili jasni cilj. Želeli smo razvijati Brda, izboljševati pogoje za življenje naših ljudi in hkrati poskrbeti, da bo za Brda slišal svet. V prepoznavnost našega prostora zato vlagamo že vse od njene ustanovitve. Dano mi je, da po 32 letih županovanja z zadovoljstvom ugotavljam, da se nam to delo vrača na številnih področjih.

Zadovoljen sem, da pri tem dobro izkoriščamo tudi infrastrukturo, ki smo jo skozi leta ustvarjali in posodabljali. Športni park v Vipolžah ni namenjen le domačemu športu in rekreaciji, temveč se je izkazal tudi kot odlično prizorišče velikih mednarodnih dogodkov. Prav takšna večnamenska uporaba je bila naš cilj – da infrastruktura živi, povezuje ljudi ter v Brda pripelje nove obiskovalce in nove priložnosti. Prav taki dogodki, kot je svetovno prvenstvo delovnih psov, je priložnost, da gostje iz različnih držav spoznajo našo pokrajino, naše ljudi in našo gostoljubnost.

Organizatorjem se zahvaljujem za zaupanje, trud in požrtvovalnost. Tekmovalkam in tekmovalcem pa želim veliko uspeha, izjemne predstave, predvsem pa prijetno bivanje med nami.

Dobrodošli v Brdih in srečno vsem udeležencem!

Franc Mužič

župan Občine Brda Ladies and Gentlemen,

Brda once again welcomes the participants of a major international cynological event. Having hosted the World Championship for Rescue Dogs in the spring, we are now delighted to welcome top handlers and their dogs back to our region, this time for the WUSV IGP World Championship. It is a source of immense pride for all of us.

Hosting two world championships in a single year is a significant accolade for Brda. It confirms that we are becoming known not only for our beautiful cultural landscape, our wines, cherries, cuisine and cultural heritage, but also as a place that knows how to welcome guests and successfully host demanding international events.

When our municipality embarked on its independent path more than three decades ago, we set ourselves a clear goal: to develop Brda, to improve the living conditions of our people and, at the same time, to ensure that the world would hear of Brda. This is why we have been investing in the visibility of our area ever since the municipality was founded. After 32 years as mayor, it is with great satisfaction that I can see this work bearing fruit in many areas.

I am also pleased that we are making good use of the infrastructure we have built and modernised over the years. The Vipolže Sports Park is not intended solely for local sport and recreation; it has also proven to be an excellent venue for major international events. This kind of multi-purpose use was precisely our aim: infrastructure that is alive, that brings people together, and that attracts new visitors and new opportunities to Brda. Events such as the WUSV World Championship IGP give guests from many different countries the opportunity to discover our landscape, our people and our hospitality.

I would like to thank the organisers for their trust, hard work and dedication. To all the competitors, I wish every success, outstanding performances and, above all, a pleasant stay among us.

Welcome to Brda, and good luck to all participants!

Pozdravni nagovor predsednice SV/WUSV

Spoštovane dame in gospodje, dragi ljubitelji pasme nemški ovčar!

Slovenija – ZNOVA POZDRAVLJENA – in dobrodošli na 38. svetovnem prvenstvu WUSV IP 2026 v Novi Gorici.

Zahvaljujoč velikodušnosti in spontani pripravljenosti našega gostitelja, gospoda Harija Arčona, ter njegove čudovite ekipe lahko to prvenstvo – ki bi mu sicer grozila odpoved – poteka na prizorišču, ki je kot nalašč ustvarjeno za naš šport.

Vsi, ki ste se udeležili lanskega svetovnega prvenstva IP, boste zagotovo pritrdili, da je bila prireditev odlično izvedena, odlikovali pa so jo izjemna organizacija, gostoljubnost in visoka stopnja profesionalnosti. Zato se z velikim veseljem in pričakovanjem oziramo na letošnje prvenstvo ter se nadejamo, da bomo tudi tokrat deležni podobne izkušnje, kot smo jo doživeli lani.

Ta prireditev je bila vse do meseca maja predvidena v španski Briviesci. Dne 4. maja 2026 je bil Upravni odbor WUSV obveščen, da klub REAL CEPPE zaradi nujnih in zelo resnih notranjih okoliščin ne more več izpolniti svoje zaveze za organizacijo prireditve. To je bilo izjemno obžalovanja vredno. Kadar mora klub s tako dolgo tradicijo in velikim pomenom za našo svetovno skupnost odstopiti od svojih obveznosti, je to resen razlog za zaskrbljenost.

Živimo v nemirnih časih in plujemo po razburkanih vodah – to velja tako za politično dogajanje kot tudi za svet kinološkega športa – vendar nikoli ne smemo izgubiti izpred oči svojega svetilnika, ki nam kaže pravo smer. Ta svetilnik je in bo vedno ostala pasma nemški ovčar ter številni ljudje, ki so predani vzreji in šolanju psov, ne le za športne namene, temveč tudi za vsa druga področja, na katerih se naša pasma izkazuje z izjemnimi sposobnostmi, kot so pastirsko delo ter široko področje službenega dela za policijo in carino ter, kar je še posebej pomembno, pri pomoči invalidom.

Svetovna skupnost WUSV šteje 125.000 članov, ki podpirajo naše klube, plačujejo članarino in nastopajo, pogosto, na najvišji ravni. Prav ti so osrednji akterji naših mednarodnih prireditev, na katere smo lahko ponosni in z njimi zadovoljni. Zato lahko od svojih funkcionarjev upravičeno pričakujejo strokovno in profesionalno delo. Pri posameznih vprašanjih se lahko strinjamo, da imamo različna stališča, vendar moramo pri uresničevanju naših ciljev ostati enotni. Prosimo, imejte to v mislih, kadar se nad vašo organizacijo zgrinjajo nevihtni oblaki. Ob natančnejšem pogledu gre pogosto le za vihar v kozarcu vode, ki ga nemalokrat povzročajo osebni interesi.

Moja iskrena in najtoplejša zahvala gre klubu **SKK VRTNICA Športni kinološki klub Vrtnica** za njegovo brezpogojno predanost našemu poslanstvu – čeprav klub sploh ni član WUSV. Njegovo podporo izjemno cenim in ji pripisujem veliko več kot zgolj formalni pomen.

Tako kot lani želim tudi tokrat izkoristiti priložnost in se zahvaliti Mestni občini Nova Gorica ter njenim prebivalcem za njihovo gostoljubnost. Iskreno upam, da si bo prireditev ogledalo čim več občank in občanov. Opazovanje naših psov pri delu je lahko za marsikoga pomemben trenutek, ki ga spodbudi, da se tudi sam vključi v kinološki šport in v svojo družino sprejme nemškega ovčarja. Svetovno prvenstvo je namreč odlična priložnost za predstavitev in promocijo naše pasme.

Nenazadnje, vendar nič manj pomembno, bi se rada zahvalila našim glavnim akterjem – tekmovalcem in njihovim psom. Dobro se zavedam, da je potovanje v tujino s psom velik finančni zalogaj. Še posebej v današnjem času naraščajočih cen in negotovosti, tudi na področju potovanja, tega nikakor ne moremo jemati kot nekaj samoumevnega.

Prav vi, pa tudi tekmovalci na številnih, veliko manjših prireditvah na državni ali celo lokalni ravni, ste tisti, ki nosite naše poslanstvo naprej. Hvala vam in prosim, nadaljujte.

Vsem, ki sodelujete na tej prireditvi, želim veliko sreče. Prav tako vam želim čudovito bivanje v Sloveniji, v deželi, ki jo je pravi užitek obiskati. Veselim se, da se bomo kmalu srečali, in upam na prijetne ter dobre pogovore s številnimi izmed vas.

S prijaznimi pozdravi,
Roswitha Dannenberg

Greetings from the SV/WUSV President

Ladies and Gentlemen – Dear Aficionados of the German Shepherd Dog Breed!

Slovenia – HELLO AGAIN – and welcome to the **38th WUSV World Championship IP 2026** in Nova Gorica. Thanks to the generosity and spontaneous willingness of our host, Mr. Hari Arčon and his wonderful team, this championship – which would have otherwise been jeopardized to be cancelled – can be held at a venue that is just perfectly suited for our sports. All of you who took part in last year's World Championship IP will certainly agree when I say the event was just perfectly organized, coupled with outstanding hospitality and enormous professionalism. So, we are enjoying the pleasure of looking forward to much of the same as last year.

This event was – until the month of May – scheduled to be held in Briviesca, Spain. On May 04th, 2026, the WUSV Board of Directors was informed that the club REAL CEPPA could no longer comply with its commitment to host the event owing to urgent and very serious internal matters. That was most unfortunate! When a club of such a longstanding tradition and high importance for our worldwide community must step back from its obligations, this gives serious reason for concern.

We live in troubled times, must navigate turbulent waters – this applies in politics and in our dog sports world alike – but we must never lose sight of our mental light house and this is and shall always be the German Shepherd Dog breed and the many people dedicated to breeding and training of dogs, not only for sports purposes, but also for all other disciplines in which our breed excels, such as herding work and in the broad field of service for police, customs authorities and very important, their service to disabled people, to name just a few.

The worldwide community of the WUSV counts with 125.000 members who support our clubs, pay membership fees and perform – often at highest levels. The latter are our protagonists at our international events, and we can look at them with pride and satisfaction. Therefore, they can expect professional work from their functionaries. We can always agree to disagree on certain issues, but we must remain united in our pursuit of our goals. Please bear that in mind when a storm is looming in your organization. At a closer look this is often only a storm in the teacup, often enough motivated by personal considerations.

My warmest thanks go to the **SKK VRTNICA Športni kinološki klub Vrtnica** for their unconditional commitment to our cause – even though the club is not even a member to the WUSV. I do more than appreciate their support.

As in last year, I would like to use this opportunity to give thanks to the community of the town of Nova Gorica and to the citizens for their hospitality. And I do hope that many of them will come and visit the event. Seeing our dogs in action might be a key moment for one or the other to also engage in dog sports and adopt a German Shepherd Dog to their families. A world championship is simply a perfect occasion for promoting our breed.

Last but not least I would like to give thanks to our main protagonists, the competitors with their dogs. I am fully aware that a journey abroad with a dog is a costly affair. Particularly in our time with rising prices and insecurities – also in terms of travelling – this is no matter of course. You – but also the competitors at much smaller events at national or even local level – are the ones who carry the torch of our cause. Thank you and please carry on.

I wish everybody who takes part in the event the best of luck. By the same token I wish you a wonderful stay in Slovenia – a place it is such a pleasure to visit. I look forward to seeing you soon and hopefully to good talks with many of you.

With kind wishes,
Roswitha Dannenberg

Spoštovane tekmovalke in tekmovalci v kinološkem športu, cenjene kolegice in kolegi, dragi prijateljice in prijatelji nemškega ovčarja,

Mednarodnemu občinstvu želimo predstaviti vrhunski kinološki šport, pri čemer je dobrobit naših psov vedno na prvem mestu.

Dear dog sport competitors, esteemed colleagues, dear friends of the German Shepherd Dog,

As Chief Judge, it is a very special pleasure and honor for me to warmly welcome you, on behalf of the entire judging team, to this year's WUSV World Championship IP 2026 in Nova Gorica, Slovenia.

A World Championship represents the absolute highlight of the WUSV's sporting calendar. After months of intensive preparation, the best teams in the world compete here to demonstrate their abilities. They showcase the fascinating performance capability, the mental strength, and the deep, trusting bond between handler and dog that make the German Shepherd Dog so unique in its role as a working dog.

For us judges, this global event carries a great responsibility. Our shared commitment and ultimate goal is to evaluate the performances shown in all disciplines in a completely fair, objective, and transparent manner, in accordance with the guidelines of the applicable trial regulations. We want to present first-class dog sport to the international audience while always keeping the welfare of our dogs as our top priority.

My heartfelt thanks go to the host club SKK Vrtnica, under the leadership of President Hari Arčon, as well as to all the volunteers on site. Their tireless commitment is what makes it possible to hold such a major cynological event in Nova Gorica in the first place. I would also like to thank the tracklayers and helpers, whose consistent and sportingly fair work lays the foundation for a competition with equal opportunities for all.

I wish all handlers the necessary bit of luck, the success they deserve, and unforgettable moments on the field. To all guests and spectators from around the world, I wish exciting, harmonious competitions and a wonderful celebration in the spirit of our shared passion and international friendship.

With dog sport regards,

Hans Graf
